Dear {{Smart Formal Salutation}},

We want to express our sincere thanks for your support of Cascades Humane Society with your recent donation. Donations from our community allow us to go above and beyond to provide extensive and special treatment to animals in need.

We want to share a heartwarming story that your contributions have made possible. Meet Bronx, a sweet 10-year-old dog abandoned at our shelter. She wore a t-shirt that concealed large masses on her body. Some of the masses had become painful, open sores. Masses are a mystery and only expensive testing can reveal answers. Your support allowed us to remove and biopsy Bronx's masses, bringing the uplifting news that they were not cancerous!

Bronx's story exemplifies the resilience and love that animals possess, even in the face of abandonment. You would never know that Bronx once faced hardship and pain. She healed happily in a foster home and is ready to shower her forever family with slobbery kisses and love! Your support allows us to go the extra mile, ensuring that every animal receives the attention and treatment they deserve.

Thank you for being the compassionate force behind stories like Bronx's. Your contributions make a real difference in the lives of these precious beings, giving them a chance at a brighter and healthier future.

With heartfelt thanks,

Heather Leszczynski  
Executive Director
