

## A homeless animal needs you today!

## Still Time to Save a Life

01-M-AW-0923-A

Your caring gift today can save a homeless animal like McGriddle.

Dear < Salutation>,

McGriddle came to CHS at 6 months old with her other siblings. Upon examination, our vet found that her anus was torn from the perineal area. Surgery was immediately performed to repair the tear. Fortunately, McGriddle had been given to us just in time.

So many animals who come to Cascades Humane Society have been abandoned or abused. They are often suffering, without a friend in the world.

> You can let them know you care with your gift to Cascades Humane Society today.

Just \$<LG>, \$<UG1>, or \$<UG2>, if you possibly can, will make such a difference to animals in desperate need.

Sadly, McGriddle became constipated and laxatives did not help loosen her stool. X-rays revealed her colon was massively distended and full of fecal matter. McGriddle had Megacolon. This is when the nerves don't stimulate the muscle in the colon to contract and move stool out, causing stool to build up and stretch out the colon.

She was anesthetized several times to administer enemas to relieve her. McGriddle was still not able to defecate on her own - her colon was not working properly and medical management was just not enough. She had only one other option: another surgery to completely remove her colon.

That surgery was successful, and today, McGriddle is living happily with a family who loves her so much. <u>With your help, McGriddle has been given the chance for a new life full of joy</u>.

Your kindness helps to save innocent animals in and around Jackson. With your support, unwanted dogs and cats can find comfort, medical treatment, and love.

For some of them, their time at Cascades Humane Society is their first experience with kindness. For others, abandoned when their families could no longer care for them, it's a chance to heal and learn to love again.

## With your gift today, sick, injured, and abused animals will receive love and lifesaving care. They'll be placed with caring families who cherish them forever.

There are so many dogs and cats in our community waiting for someone to care. Please help us transform their lives by making a gift today.

Thanks so much for everything you do for vulnerable animals!

With heartfelt gratitude,

Hather Hearingnahi
