Dear {{Smart Formal Salutation}},

We hope this letter finds you well and in good spirits. We wanted to express our sincere gratitude for your recent donation to Cascades Humane Society. Your kindness and support mean the world to us!

Spring is upon us and with the sun shining and temperatures rising, the pets at CHS are ready to spend more time hanging out outdoors. Pictured is Theia, a dog at CHS who is particularly excited for warmer weather. A game of fetch with a tennis ball is her favorite!

With the change in season, there is also an increased risk of fleas, ticks, and heartworm disease. Your support allows us to provide monthly flea, tick, and heartworm preventatives year-round to each animal under our care. It also allows us to spay/neuter, and vaccinate every dog and cat under our care. Thanks to you, we can create a safe and nurturing environment for our furry companions to thrive in as they wait to be adopted by loving families. Theia can run around in our play yard, chasing tennis balls, protected against heartworm disease and from pesky fleas and ticks!

With heartfelt thanks,

Heather Leszczynski
Executive Director
